

# RADIOLOGIC TECHNOLOGY

## Program Information Sheet

### HOW DO I GET STARTED?

- Apply to the college
- Have previous coursework transferred
- If you are a first time student, you must sit for the Accuplacer test (see exemptions on the Trenholm website).
- ACT
  - Sit for the ACT and score 18 or greater. Visit act.org to register. OR
  - Have your official ACT score sent to the admissions office.
- The Radiology Program is a selective admission program.
- Minimum requirements to apply:
  - 18 or higher on ACT
  - 2.5 GPA (calculated on the most recent 24 credit hours)
  - Eligibility to place into ENG 101, MTH 100 and BIO 201 by the application deadline. (Note: BIO 103 is a prerequisite to BIO 201)
- Meeting minimum requirements and completing a program application does not ensure admission to the program.
- All applicants will be ranked according to composite ACT score with 1 additional point being awarded for any of the co-requisite courses completed with a C or better. Tie breaker information: 1st: Math ACT score; 2nd: science ACT score; 3rd: reading ACT score; 4th: GPA on the most recent 24 credit hours.
- Note: All general education requirements for the RAD Program are co-requisite courses and do NOT have to be completed to be eligible to apply.

### ESTIMATED LENGTH AND COST

- Associate Degree
  - 5 semesters (76 credit hours)
- Tuition and Fees \$12,160
- Books \$ 1197 - may vary among suppliers
- Uniforms/Supplies/Misc. \$750
- Tax not included. Prices are subject to change without prior notice.
- General education course taken before admission to the program will alter the program length.

### WHEN AND HOW CAN I APPLY?

- The RAD Program accepts a class annually.
- Applications will be located on the RAD webpage during open application time only and requires the following::
  - A completed application/Essential Eligibility Criteria Form.
  - ACT score showing in the MyTrenholm Portal
  - Unofficial transcripts from all colleges emailed to program faculty.
  - Official transcripts from all colleges sent to admissions.
- The number of students accepted is based on clinical availability.
- The program is 5 semesters in length once accepted and is typically Monday-Friday.
- Co-requisite courses may be completed in advance:
  - MTH 100
  - BIO 201
  - BIO 202
  - ENG 101
  - ORI 101
  - PSY 200
  - HUMANITIES ELECTIVE
  - Choose from 1 of the following:
    - ENG 102
    - SPH 106
    - SPH 107
  - **\*\*Note: BIO 103 is a pre-requisite course for BIO 201.**
- *It is the official policy of the Alabama Community College System and H. Council Trenholm State Community College that no person shall, on the grounds of race, color, disability, sex, religion, creed, national origin, age or any other protected class as defined by federal and state law be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program, activity, or employment.*
